Get Involved! Meet People! Have Fun!

One of the reasons the South Surrey Garden Club is so successful and so enjoyed by its members is our extensive programming, with everything from speakers and field trips to plant sales and members' Open Gardens. We also have staples like our extensive library, the *Garden Clippings* newsletter, and special events like the Plant Sale and the Flower and Garden Show. And all of it depends on the work of many, many volunteers.

Please let us know which of the following committees/activities you would like to volunteer for. Volunteer opportunities for other crucial roles - like volunteering and/or propagating plants for the Plant Sale in the spring! - will be available at our monthly meetings, as they come up.

Descriptions for many of the roles can be found in the members' area on the SSGC website at southsurreygardenclub.ca, or you can contact Pam Robertson at (604) 535-1519 or pamrobertson@shaw.ca if you have any questions.
