E-mail address _____ Membership # _____

CONSENT (required of each member)

By completing this application and initialing below, you consent to receiving emails from the SSGC with regard to membership, meeting notices, and club business (note: you may unsubscribe at any time). **You further consent to having your contact information available** (*except as noted below) to other SSGC members through the password-protected member directory on the club website (to be used solely for the purpose of conducting club business). Lastly, you agree to use the personal contact information on the SSGC website for club business only and will not disclose the contact information of club members to non-club members.

INITIALS OF EACH APPLICANT: _____

*If you would like to have some of your information omitted from the club-wide list, please note it here:

As we move forward this year with the idea that we may not be able to meet in person, we will be planning a variety of activities each month. You may not be interested in all of the activities, but we hope that you will be interested in at least one or two. With that in mind, please answer the following questions and be sure to write down any comments or questions you may have. This will assist the executive in planning for the coming year.

Do you have reliable access to the internet?

Are you able to easily download the newsletter?

Are you interested in online videos? (We have been developing a few technique videos utilizing the expertise of our members, such as how to sharpen pruners).

Are you interested in our online discussion group? (This is the place where you can ask questions and receive expert advice, advertise extra plants, and/or ask for garden service recommendations).

Would you join a SSGC book club? Are you interested in reading gardening books (fiction, biography, knowledge-based)?

Would you like to join a SSGC walking group (with social distancing in place)?

What other garden clubs do you belong to?

We have a group of members who periodically call our members to check in and to share SSGC news. Would you like someone to call you to chat? Or would you like to be part of our phoning committee?

We will be opening all committees to new members and will be forming a few new groups. Is there any committee that you are especially interested in joining?

We had a great number of speaker and workshop ideas contributed through our previous survey. We will be using those suggestions in 2020-21. Please feel free to add more ideas here:
